More about this course

Caroline will share her many years experience with you during this informative day course.

She will show you a series of case studies of client projects and explain how professional garden design is planned and realised on site.

She will highlight some of the pitfalls to avoid when offering professional garden design to your clients both in terms of design and implementation.

Caroline has mentored the building of show gardens at the RHS Malvern Spring Festival and she will share with you the tricks of the trade used in show garden building get gardens up to a gold medal-winning standard.

She will also describe the process of designing and building celebrity stages, both at the Royal Garden at Highgrove and for the RHS Malvern Festival.

Working with contractors will also be covered and how to run a smooth and problem-free design and build project.

There will also be information about on going maintenance and how this relates to the gardens you are designing and building.

Please note this course is aimed at a professional audience and is not redeemable against day course gift vouchers, please see our Introduction to Garden Design Day Course information if you have a day course gift voucher.

Tea, coffee and a delicious lunch are included in your day. Please call ahead if you have any special dietary requirements.

We pride ourselves in offering quality learning in a relaxed and friendly atmosphere. Come and escape to our rural location for the day and brush up existing knowledge.

Your tutor, Caroline is a qualified and experienced lecturer & garden designer and main tutor on our one year professional garden design course.

Please bring your wellies if you would like to come on the garden tour with Caroline during your course.

The course starts at 10 am and finishes at 4 pm.
